

Let Your Data Grow[®]

Stat One supports DSMB committees by providing programming to create custom DSMB listings and tables for committee review and meetings.

Focused Approach

Stat One provides output examples to the client and DSMB committee to determine the reports they would like to see. We can support your DSMB Review team by providing timely DSMB Listings and Output for review by the committee.

DSMB Support Services

- Customized DSMB output and reports
- Programming of tables, figuring, and listings
- Timely reruns of outputs prior to DSMB Meetings
- Ability to create patient profiles to facilitate review of individual patient data

Referrals for DSMB Committee Statistician

- Typically, our statisticians do not sit on the DSMB themselves because of the limited nature of the activity.
- We offer recommendations of Statistical Consultants with DSMB Committee experience in the therapeutic area.

ABOUT STAT ONE

Let Your Data Grow[®]

Stat One is a specialty CRO supporting clinical trials for pharmaceutical, biotech, and medical device companies. Our industry knowledge of over two decades combined with our focus on quality makes us an excellent choice for your partner in growing a better future.
