

Data Management and Customized EDC Database

Let Your Data Grow[®]

- Challenge: A prospective client needed a customized EDC solution that balanced flexibility and cost.
- Solution: Our proprietary Stat One EDC system allowed us to rapidly add several new features that met their specific needs. Stat One LLC also provided DM SOP templates and provided some customized abbreviated system guides for the study sites.
- Result: Client ended up with a cost-effective EDC solution customized to their needs and has experienced rapid onboarding of study sites.
